What is Need For Speed: Most Wanted 2012? Need For Speed: Most Wanted 2012 is a game produced by EA Digital Illusions and published by Electronic Arts in 2012. It is the fourth game in the Need For Speed series. The game is a racing game, which features online and offline gameplay. The game is set to be released on October 1, 2012 for PC, PlayStation 3, and Xbox 360. The game supports stereoscopic 3D on PlayStation 3 and Xbox 360. The game has no scheduled date of release on iOS and Android OS but does have an official announcement on the Official website. Background As a sequel to 2010's Need For Speed: Hot Pursuit, the game picks up with street racer Johnny Munro as he now races on the streets of San Francisco during the opening weekend of the 2012 San Francisco Grand Prix. On the first day of the race, he meets his arch-rival Cole Trickle. "Need for Speed Most Wanted gives players complete control in every aspect of the game, including the ability to accelerate, dodge, jump, and drift anywhere on the track at any time. Players also have the option to drift in Race or Free Ride modes, which will offer rewards for doing so. Additional environments include five of the world's most exotic and diverse locations." (Wikipedia) Furthermore, the game allows players to create their own track and edit their own cars. The tracks include challenging tree-lined, high-speed tracks, winding city streets, and heavily trafficked highways. The races include a mixture of ten unique events, such as Rush, Drift, Race, Siege, Brella, and Proving Grounds. PlayStation 3, Xbox 360, and PC versions were available for pre-order on the Official Website.
